The City of Euclid is celebrating its 200<sup>th</sup> birthday this year and is proud to be one of the five sites selected to host the 2009 OHIO CHAUTAUQUA. The OHIO CHAUTAUQUA tent will sit on the grounds of the Sims Park, 23131 Lakeshore Boulevard, providing scenic views of Lake Erie. For maps and driving instructions, please contact the City of Euclid Parks & Recreation Department at 216-289-8114 or email [kwill@cityofeuclid.com](mailto:kwill@cityofeuclid.com).

The Township of Euclid was one of the first communities to be established in the Western Reserve. A contract between Superintendent Moses Cleaveland and 41 employees of the Connecticut Land Company created the Euclid Survey Township. The men were members of a party sent to lay out and survey the estimated 3,000,000 acres of land purchased by the company the previous year for \$1,200,000 from the State of Connecticut. Euclid, named after the Greek mathematician, was incorporated as a township in 1809. The township consisted of more than 35 square miles of land.

David Dille, a Virginia company lieutenant from the Revolutionary War, is credited as the founder of Euclid Township. He built a log cabin on the west bank of Euclid Creek. In those early years, the village was a farming community, subsisting on cash from crops of wheat and table grapes. The first industries were saltworks, sawmills, gristmills, and ship building.

**Plan on visiting Euclid!** There are OHIO CHAUTAUQUA workshops for children and adults during the day at the Euclid Public Library, Lakefront Community Center, and the Henn Mansion. The Euclid Historical Museum will also be open and displaying documents, photographs, artifacts and more for historians of all ages to view.

*Euclid treasures its history and looks forward to the future - Come celebrate our 200<sup>th</sup> birthday with us!*
